“Our Philosophy”

At the Empire Restaurant, our philosophy is simple. We strive to deliver the very best dining experience possible to our customers by harnessing our passion and cooking techniques to create the very best modern Bangladeshi and Indian cuisine. Using only the freshest local products and ingredients, our kitchen team blend traditional and modern tastes to bring you the extensive selection of dishes on our menu - cooked only the way we can. Thirty summers have come and gone since we first opened our doors in Cardiff and in this time we have been awarded numerous accolades. However, the most important thing to us is the ongoing patronage of our loyal customers - many of whom are now our friends.

To all our diners, we say “Welcome to the Empire Restaurant Family”.

“The Secret of Our Success”

We are often asked: “What is the secret of your success?” We believe it is a combination of things: Firstly, we truly enjoy what we do and we thrive on the positive feedback from our customers who share our passion and love of classic traditional and contemporary Indian and Bangladeshi dishes.

“Fresh is Best”

Our customers can be sure that all our dishes are prepared using only the freshest ingredients from local suppliers. The only exception to this rule are the spices that we import from distant parts of Indian and Bangladesh to give our cuisine an exotic, authentic taste.

“The more we share, the more we have”

We have always believed in sharing our good fortune and contribute at least 1% of our revenues every year to the community in which we work and serve. These include a number of Welsh charities and local sports clubs. Ask our staff for more information.
